Our motto, "Education for a lifetime" continually reminds us of the importance of our efforts to train your child(ren). Currently, interest in enrollment for the next academic year is very high. We recommend that you complete the necessary registration forms as soon as possible and return them to the office with the appropriate registration fee. Open enrollment begins February 19, 2012. Personal tours are available by appointment. Please call the office at 352-343-0061 to make an appointment.

We are excited about the upcoming year and the opportunity to impact the life of your child(ren) academically and more importantly for Christ!
