LIBERTY CHRISTIAN ACADEMY STATEMENT OF COOPERATION

I have read, understand and agree to abide by the Liberty Christian Academy's policies and principles that are set forth in the Student-Parent Handbook, Tuition Contract and this document. I believe that discipline is necessary for the welfare of each student and proper conduct of the school. I give my permission for LCA to enforce for my child(ren) those classroom and school regulations in a manner consistent with Christian principles and discipline as set forth in the scriptures, understanding the LCA is a non-corporal punishment school. I agree to hold LCA and its agents harmless for liability in cases of any actual or alleged injury to my child in cases of normal, routine school sponsored and supervised activities for all things which the school has no control. I further agree to pay all legal fees (attorney, court, damages or other costs) incurred by LCA arising from any legal action brought against the school or its agents or employees for which the school is found not to be at fault.

I will fully cooperate with the LCA in the education of my child, and adherence to all school plans, policies and regulations. I agree to work personally with the teachers, administration and any others identified to quickly resolve any issues or problems. Problems with academics or the classroom will be taken to the teacher first for immediate resolution, then to the principal and finally to the administrator. I will not undermine the school, its employees or programs and will be careful not to make negative comments. I also give permission for my child's photograph and name to be placed in the school yearbook and used in advertisement.

I understand that all registration and material fees are non-refundable and that I am responsible for tuition payments as outlined in my Tuition contract.

I agree to provide to LCA, as needed, copies of my child's birth certificate, current immunization and health records, and other educational documents requested.

Should my marital status or key personal information change I will notify the school with all new information to assure that our records are maintained in a current status. I understand this Statement of Cooperation will remain in effect for as long as my child(ren) attend LCA.
